Fakta om filmen

Faktafilm av Anthony Azzard. TED-Ed. Längd 5:38

Filmen handlar om

Slavery has occurred in many forms throughout the world, but the Atlantic slave trade – which forcibly brought more than 10 million Africans to the Americas – stands out for both its global scale and its lasting legacy. Anthony Hazard discusses the historical, economic and personal impact of this massive historical injustice.

Nyckelord

History, slavery, Atlantic, trade, America, Africa, Europe, injustice, racism.
